Ms. [REDACTED] and Ms. Williams –

As you are aware, DHSS is conducting a complaint investigation and as a result, will need to conduct in-person interviews with the below listed practitioners:

[REDACTED]  
Dr. Coleen McNicholas

[REDACTED]

[REDACTED] (I understand that this interview will be telephonic, if [REDACTED] is not in the state of MO)

[REDACTED]

[REDACTED]

[REDACTED]

Dr. David Eisenberg

Please contact me no later than the close of business **April 16, 2019**, with the interview availability for the above listed practitioners. To protect the integrity of our investigation, It is important to conduct an interview with Dr. [REDACTED] first, immediately followed by Dr. McNicholas. Please provide the availability for them as well as the remaining practitioners. My intent is to complete these interviews prior to April 30, 2019, to allow for sufficient time for your agency to address deficient practices identified as a result of the investigation, if any, prior to the expiration of the facility license on May 31, 2019. I look forward to hearing from you. Thanks.
