

Medical Emergencies Involving Clinics Associated with LeRoy Carhart

2012 to March 2022 (Newest to oldest)

Prepared by Operation Rescue

- **February 25, 2022, Bellevue, NE:** Abortion patient drifting in and out of consciousness. Pale and passing out when sitting up. Witness familiar with patient's condition indicated her injuries were serious and that she coded at the hospital. (911 records on file with Operation Rescue.)
- **August 12, 2021, Bellevue, NE:** Ambulance transported a woman to local hospital. (No records available.)
- **February 9, 2021, Bethesda, MD:** Facility sought ambulance transport for woman with incomplete abortion. Abortion stopped because she was combative. She insisted they finish the procedure. (911 records on file with Operation Rescue)
- **March 10, 2021, Bethesda, MD:** 37-year-old woman suffered abortion complications. Carhart "not confident" so he sent her to the Holy Cross Hospital where he holds no hospital privileges. (911 records)
- **May 12, 2020, Bethesda, MD:** Woman receives horribly botched abortion at approximately 25 weeks of pregnancy. She woke up screaming in pain. Suffered massive internal injuries and nearly died. Sued Carhart and his hired abortionist Elizabeth Swallow for medical malpractice in Montgomery County Circuit Court: Norris v. Carhart, et. al. Case Number C-15-CV-21-000205. (Court records)
- **May 21, 2020, Bethesda, MD:** Georgia woman has abortion at 23 weeks of pregnancy due to her baby being diagnosed with Down syndrome. Suffered life-threatening internal injuries and came close to dying. Sued Carhart and his hired abortionist Anh-Chi Dang Do for medical malpractice in Federal Case Number 8:21-cv-10739-TDC. (Court Records)
- **December 21, 2018, Bellevue, NE:** Woman hemorrhages after abortion. (Video, Radio traffic)
- **May 4, 2018, Bellevue, NE:** Woman in what appeared to be serious condition was transported by ambulance to a local hospital. (Video, no other records)
- **November 20, 2017, Bethesda, MD:** An ambulance from the National Institutes of Health (NIH) appeared at the Bethesda abortion facility and transported a woman to

Walter Reed National Military Medical Center in Bethesda for treatment. (Photo, Eyewitness report)

- **October 6, 2017, Bellevue, NE:** 911 records indicated a fire alarm had been tripped, but an eyewitness says he saw a gurney removed from the facility with someone on it. This remains a bit of a mystery. (Eyewitness video appears to show gurney.)
- **March 24, 2017, Bellevue, NE:** 35-year-old female suffered difficulty breathing and excessive bleeding after a 17-week abortion. (Video, 911 records.)
- **February 7, 2017, Germantown, MD:** Abortion patient transported to a local hospital for “problems” that were completely redacted from 911 records. (Video, 911 records)
- **December 29-30, 2016, Germantown, MD:** Two of Carhart’s abortion patients returned to the abortion facility in the middle of the night to be treated for complications. One woman was seen waddling into the facility holding what appeared to be a shower liner between her legs. Neither woman was transported to the hospital by ambulance. (Photos)
- **April 4, 2016, Germantown, MD:** Hemorrhaging late-term abortion patient transported to emergency room. All other patients sent home. (Video, 911 recording, Scanner audio)
- **March 30, 2016, Germantown, MD:** Private ambulance called for late-term abortion patient. (Video, 911 recording, Scanner audio)
- **March 20, 2016, Germantown, MD:** Underaged woman transported to Shady Grove Hospital suffering “heart problems.” (Video, 911 recording, Scanner audio)
- **February 4, 2016, Bellevue, NE:** Woman transported to hospital suffering from an incomplete abortion. (Video)
- **January 19, 2016, Germantown, MD:** Late-term abortion patient bleeding seriously transported to hospital. (Security video and 911 recording)
- **December 15, 2015, Germantown, MD:** Abortion patient transported to emergency room while Carhart accompanies.
- **July 2, 2014, Germantown, MD:** African-American abortion patient transported to hospital in the middle of the night. (Video. No other records.)
- **April 26, 2014, Bellevue, NE:** Patient, 37, suffered from abdominal pain after Carhart had an “issue with the procedure.” (Video with 911 recording)

- **March 4, 2014, Germantown, MD:** Patient hemorrhaged after 2nd trimester abortion complications.
- **November 30, 2013, Bellevue, NE:** Patient suffered 2nd trimester abortion complications.
- **November 26, 2013, Germantown, MD:** Patient required emergency surgery. (Video with 911 recording)
- **July 9, 2013, Germantown, MD:** Patient hemorrhaged. (Video with 911 recording)
- **February 7, 2013, Germantown, MD:** Patient Jennifer Morbelli died of 3rd trimester abortion complications. ([Autopsy Report](#))
- **March 31, 2012, Bellevue, NE:** Patient heard moaning and screaming during 911 call (Video with 911 recording.)
